

NASSIFMD[®]

DERMACEUTICALS[®]

Trusted with Faces Worldwide[®]

BRAND OVERVIEW

As a Board-Certified Facial Plastic & Reconstructive Surgeon, Dr. Paul Nassif leverages his knowledge of the skin layers to develop science-based, cruelty-free skincare that delivers transformative anti-aging results for healthy, radiant, youthful looking skin. When formulating his skincare, Dr. Nassif utilizes four basic precepts: **Exfoliate. Hydrate. Nourish. Protect.**

OUR UNIQUE MARKET POSITIONING

- Highly effective, luxurious, and affordable skincare formulated by Dr. Paul Nassif, a Board-Certified, World-Renowned Facial Plastic & Reconstructive Surgeon and Star of the TV show Botched, which airs in 160 countries
- Dr. Nassif sees the skin's aging process literally from the inside out and understands his scalpel has limitations. He leverages his 25+ years as a Facial Surgeon to develop cutting-edge formulas that deliver results
- Dr. Nassif's proprietary formulas utilize proven skincare ingredients synergistically combined with new and unique raw materials and technologies to treat the skin's health and not necessarily its age
- **Fun Fact!** Dr. Nassif initially developed his Detox Pads and Hydro-Screen Advanced Technology Serum as a pre-operative treatment to ensure he was working with healthy, hydrated, more pliable face & neck skin layers during surgery. His patients loved the formulas so much they kept wanting more!

BRAND OVERVIEW & PHILOSOPHY

A “cutting edge” highly effective, proprietary skincare line for anyone seeking healthy, radiant, youthful looking skin at any age.

- Formulated by Dr. Paul Nassif, a Board-Certified, World-Renowned Facial Plastic & Reconstructive Surgeon and star of the hit TV show “Botched”
- Leverages 25 years of working with/under the skin layers to understand the skins aging process in product development and the limitations of his scalpel
- Young doctors seek fellowships with Dr. Nassif to learn his advanced surgical proprietary techniques
- Inspired by patients’ needs and the treatments in his Medical Spas to formulate products that can deliver at-home results
- Proprietary formulations utilize proven skincare ingredients synergistically combined with new and unique raw materials and technologies to treat the skins health and not necessarily its age
- When formulating his skincare, Dr. Nassif utilizes four basic precepts:

Exfoliate. Hydrate. Nourish. Protect.

Mission

As a Board-Certified Facial Plastic & Reconstructive Surgeon, Dr. Nassif leverages his knowledge of the skin layers to develop science-based, cruelty-free products that deliver transformative anti-aging results for healthy, radiant, youthful looking skin.

Vision

Dr. Nassif formulates his skincare using a combination of innovative and known proven ingredients in synergistically combined formulas. All NassifMD® products are clinically proven to deliver one or more of these benefits: Exfoliate, Hydrate, Nourish, Protect - to give you healthy, radiant, youthful looking skin.

Reasons to Purchase:

- Dr. Nassif understands the skin, from the inside out!
- Doctor Formulated
- Science Based
- Transformative
- Proven Results
- Luxurious formulations at affordable prices
- Formulated to layer well and easily incorporate into existing skincare routines
- Cruelty-Free & Vegan
- Strives to be Sustainable
- Skincare expertise sought after by leading medical spa aesthetics device companies like HydraFacial.

Fun Fact:

Dr. Nassif initially developed his Detox Pads and Hydro-Screen Advanced Technology Serum as a pre-operative treatment to ensure he was working with healthy, hydrated, more pliable face & neck skin layers. His patients loved the formulas so much they kept wanting more! And NassifMD Dermaceuticals™ was born!

Cleansers & Exfoliants & Peels

BEST
SELLER

GREAT
FOR
BODY
TOO!

NASSIFMD® PURE HYDRATION FACIAL CLEANSER

Cleanse, calm and hydrate!

What it is: A gentle, emollient cleanser that effectively removes all traces of makeup, dirt and oil

- The pH balanced formula cleans without irritating dry or sensitive skin
- Delivers anti-inflammatory properties to calm and soothe skin
- Botanical actives help ensure retention of skin moisture
- Potent antioxidants help fight free radicals to protect skin from premature aging
- Cleanses and soothes skin to prepare it for skin treatments to follow
- Gentle enough for almost all ages, including teens
- Skin feels clean, soft, hydrated and refreshed

Why it works: *Key Ingredients & Benefits:*

- **Camellia Sinensis Leaf Extract (Matcha Tea)** - An antioxidant-rich botanical ingredient from green tea, it reduces inflammation and redness, eliminates dead skin, dirt, bacteria and pollutants on the skin's surface, and helps reduce puffiness.
- **Cocamidopropyl Betaine** - A mild cleansing agent and gentle surfactant derived from refined coconut oil with light foaming properties and a strong water binding capacity to ensure retention of skin moisture.
- **Squalane** - An emollient derived from plant sugars; it has a high affinity to skin cells due to its skin-identical structure. It prevents moisture loss, reduces inflammation and helps restore skin's suppleness and flexibility.
- Ideal for use with many different cleansing brushes or devices.
- Can be used in bath & shower, too.
- Also great for hands as it thoroughly cleanses without drying.

What it feels like: The pearly white cleansing lotion is water-activated to create a creamy light lather. It rinses off easily and leaves skin feeling smooth and soft.

How to use: Apply a dime-sized amount onto damp skin and gently massage face, working into a rich lather. Close eyes and gently massage over eye makeup to remove. Rinse with warm water or a damp washcloth. Follow with your usual skincare routine.

Ingredients: Aqua (Water), Lauryl Glucoside, Cocamidopropyl Betaine, Sodium Lauroyl Sarcosinate, PPG-2 Hydroxyethyl Coco/Isostearamide, Glycerin, Methyl Gluceth-20, Phenoxyethanol, Glycol Distearate, Coco-Glucoside, Glyceryl Oleate, Citric Acid, Squalane, Parfum, Polyquaternium-10, Ethylhexylglycerin, Linalool, Disodium EDTA, Sodium Chloride, Tetrasodium EDTA, Camellia Sinensis Leaf Extract.

NASSIFMD® DAWN TO DUSK CLEANSE + EXFOLIATE AM + PM FACIAL CLEANSER

Reveals smoother and brighter-looking skin!

What it is: *A gentle cleanser that helps restore skin from the effects of daily environment aggressors*

The gel formula transforms into a creamy foam on damp skin for thorough cleansing:

- Effectively lifts and removes all traces of makeup, dirt, and dead skin cells
- Natural exfoliating particles gently cleanse away impurities without drying or stripping the skin
- Improves the appearance of dull, uneven skin tone
- Helps clean our pores so they appear less noticeable
- Reduces the appearance of fine lines and wrinkles
- Creates a smoother looking skin texture
- Cleanses, soothes, and smooths skin to prepare it for skin treatments to follow
- Helps serums and moisturizers absorb better for optimal benefits
- Gentle enough for use morning and night

Why it works: *Key Ingredients & Benefits:*

- **Phytelephas Aequatorialis Seed Powder** - A gentle, natural skin exfoliant made from the ground seeds of the Ecuadorian Ivory Palm, it is a natural-sustainable ingredient with excellent exfoliating properties.
- **Phytic Acid** - This plant extract, a gentler form of AHA, provides effective exfoliation and skin brightening effects as well as antioxidant properties to protect against skin aggressors.
- **Lauramidopropyl Betaine** - A mild, foaming cleansing agent that gently removes dirt and debris from the skin, leaving it feeling soft and refreshed.
- **Jojoba Ester** - Derived from jojoba oil, it provides emollient, skin softening and conditioning properties as well as gentle exfoliation.

What it feels like: The clear gel with tiny exfoliants is water-activated to create a light, creamy foam. It feels cushiony, with a gentle scrubbing action. Rinses easily and leaves skin feeling silky smooth and soft.

How to use: Apply a dime-sized amount onto damp skin, avoiding eye area. Gently massage face and neck until cleanser foams. Rinse thoroughly with warm water or a damp washcloth. Follow with your usual skincare routine.

Ingredients: Water/Aqua, Disodium Cocoamphodiacetate, Lauramidopropyl Betaine, Glycerin, Phytelephas Aequatorialis Seed Powder, Acrylates/C10-30 Alkyl Acrylate Crosspolymer, Jojoba Ester, Phenoxyethanol, Polysorbate 80, Potassium Hydroxide, Ethylhexylglycerin, Panthenol, Parfum/Fragrance, Xanthan Gum, Lactobacillus/Punica Granatum Ferment Extract, Phytic Acid, Allantoin, Leuconostoc/Radish Root Ferment Filtrate.

NASSIFMD® DETOX PADS

Clinically proven to remove what your cleanser leaves behind! An anti-aging skin treatment in a pad!

What it is: An essential daily multi-tasking cleansing, exfoliating and anti-aging treatment

The soft pads perform a wide range of skin-caring benefits, in a few easy swipes:

- Gently removes all traces of makeup and impurities from the day
- Deep cleans the skin without stripping
- Exfoliates dead skin cells
- Helps clean pores and minimize pore size
- Helps create smoother looking skin texture
- Helps improve the appearance of fine lines and wrinkles
- Delivers antioxidant protection
- Evens and brightens skin tone
- Helps hydrate the skin and reduce inflammation
- Helps firm the appearance of the skin

Why it works: Key Ingredients & Benefits:

- **Elasta-derm C** - An antioxidant and age-defying complex that helps regulate circadian rhythms, fight free radical damage, minimize the appearance of wrinkles, and lighten and even the skin tone.
- **Bakuchiol** - A natural antioxidant and skin-restoring ingredient, it is a gentler alternative to retinol. Its soothing and smoothing properties help reduce the look of fine lines and wrinkles, boost collagen production, improve skin texture and even the skin tone.
- **Salicylic Acid** - A member of the Beta-hydroxy acid family, it is used to exfoliate dead skin cells, treat acne breakouts, reduce inflammation, and improve overall skin texture.
- **Glycolic Acid** - A naturally occurring alpha hydroxy acid (AHA), it works to exfoliate pore-clogging, dead skin cells that sit on the skin surface and helps retexturize, brighten and refresh lackluster skin.
- **Lactic Acid** - A naturally occurring alpha hydroxy acid produced by fermentation of milk, it hydrates, gently exfoliates, reduces the appearance of fine lines and wrinkles and improves overall skin tone and texture.
- **Witch Hazel Extract** - A skin conditioner known for its anti-irritant, astringent, skin clearing, softening and soothing properties.
- **Ectoin** - A naturally occurring molecule in the Extremolyte family, it helps protect skin cells from environmental & UV damage. Reduces inflammation, improves skin barrier function, and maintains balanced hydration.

Proven results: In a Clinical Study, Detox Pads removed makeup 108% more effectively than soap and water. Visia

What it feels like: The thin, soft single-use pad contains the perfect amount of moisture, delivering a cool, refreshing cleansing treatment that leaves skin feeling smooth, soft and comforted.

How to use: Gently wipe face with a pad. Avoid the upper and lower eyelids. Do not rinse off. A tingling sensation may occur; this is normal. Use twice daily, morning and evening. Follow with your usual skincare routine. Dry Skin: Use 2x weekly and build up to daily use. Normal Skin: Use 3x weekly and build up to daily use. Oily Skin: Use daily.

Ingredients: Aqua (Water), Butylene Glycol, Hamamelis Virginiana (Witch Hazel) Leaf Extract, Methyl Gluceth-20, Salicylic Acid, Phenoxyethanol, Pentylene Glycol, PPG-5-Ceteth-20, Glycolic Acid, Lactic Acid, Salix Nigra (Willow) Bark Extract, Ectoin, 3-O-Ethyl Ascorbic Acid, Sorbitol, Dihydroxy Methylchromone, Bakuchiol, Polysorbate 20, Sodium PCA, Allantoin, Potassium Sorbate, Sodium Hydroxide, Parfum (Fragrance), Disodium EDTA, Ethylhexylglycerin, Sodium Chloride, Sodium Carbonate, Alpha-Isomethyl Ionone, D-Limonene.

NASSIFMD® DETOX PADS - GENTLE

Clinically proven to remove what your cleanser leaves behind!

What it is: An essential daily cleansing & exfoliating treatment & makeup remover created for sensitive skin types

The gentler version is formulated without Salicylic Acid or AHA/BHA Acids that may cause sensitivity:

- Made with Fruit Acids, Mineral Salts and Aloe Vera, with no added fragrance
- Dermatologist tested to not cause skin irritation
- Gently removes all traces of makeup and impurities from the day without stripping
- Exfoliates dead skin cells
- Helps clean pores and minimize pore size
- Helps create smoother looking skin texture
- Reduces inflammation
- Delivers antioxidant protection
- Evens and brightens skin tone

Why it works: Key Ingredients & Benefits:

- Same great benefits as original Detox Pads, now for those with more sensitive skin.
- **Witch Hazel Extract** - A skin conditioner known for its anti-irritant, astringent, skin clearing, softening and soothing properties.
- **Citrus Aurantium Dulcis (Orange) Fruit Extract** - A natural extract of the orange peel, it is aromatic and rich in vitamins and nutrients. A major flavonoid, it has potent antioxidant, anti-inflammatory, skin brightening and antimicrobial properties.
- **Ophiopogon Japonicus Root Extract** - A natural extract from the root of a lily family plant, it is rich in saccharides and known to hydrate the skin. It protects skin from dryness and boosts the skin's moisture-retaining ability.
- **Aloe Barbadensis Leaf Extract** - An anti-inflammatory agent, it contains vitamins A, B, C, and E, that altogether contribute skincare benefits including antioxidant protection, moisturizing and skin-soothing properties.
- **Saccharum Officinarum Extract** - Also known as Sugarcane, it is a humectant that can help the skin to attract water and then hold onto it.
- **Hyaluronic Acid** - A naturally occurring molecule that can hold 1,000 times its weight in water. Helps provide hydration, improve the look of fine lines and wrinkles, and improve skin texture and elasticity.

Proven results: In a Clinical Study...

- Detox Pads-Gentle were *significantly more effective* in removing makeup than soap and water.

What it feels like: The thin, soft single-use pad contains the perfect amount of moisture, delivering a cool, refreshing cleansing treatment that leaves skin feeling smooth, soft, and comforted.

How to use: Can be used morning and night. Use after cleansing to remove residual dirt, oils, and makeup or as your first step to cleanse and exfoliate. Simply swipe one pad over face, neck and décolleté. Can also be used on hands or other areas of the body. Do not rinse off. Follow with your usual skincare routine.

Ingredients: Aqua (Water), Hamamelis Virginiana (Witch Hazel) Water, Propanediol, Vaccinium Myrtillus Fruit Extract, Saccharum Officinarum (Sugarcane) Extract, Phenoxyethanol, Citrus Aurantium Dulcis (Orange) Fruit Extract, Citrus Limon (Lemon) Fruit Extract, Ophiopogon Japonicus Root Extract, Magnesium Aspartate, Zinc Gluconate, Panthenol, Acer Saccharum (Sugar Maple) Extract, Maltodextrin, Ethylhexylglycerin, Copper Gluconate, Sodium Phytate, Sodium Hyaluronate, Aloe Barbadensis Leaf Extract, Alcohol.

NASSIFMD® SKIN PERFECTING DUAL ACTION BODY SCRUB

Because the skin on our body benefits from exfoliation, too!

What it is: A gentle, effective cleansing and exfoliating skin treatment formulated specifically for the body

The creamy, lightly foaming cleanser with sustainable exfoliating particles:

- Addresses the buildup of dead skin cells that can clog pores and result in dry, dull uneven skin
- Helps exfoliate and remove dead surface skin cells, to reveal fresh skin cells
- Gently buffs away dead skin cells for smoother, more radiant skin
- Helps reduce the appearance of fine lines and wrinkles
- Helps create a smoother looking skin texture
- Helps skin appear more radiant and youthful looking
- Enables moisturizers to absorb more completely

Why it works: Key Ingredients & Benefits:

- **Glycolic Acid** - A naturally occurring alpha hydroxy acid (AHA), it works to exfoliate pore-clogging, dead skin cells that sit on the skin surface and helps retexturize, brighten and refresh lackluster skin.
- **Phytelephas Aequatorialis Seed Powder** - A gentle, natural skin exfoliant made from the ground seeds of the Ecuadorian Ivory Palm, it is a natural-sustainable ingredient with excellent exfoliating properties.
- **Luremin®** - Contains a potent anti-wrinkling agent present in medicinal plants, it is an effective and gentle anti-aging alternative to Retinol. It has been shown to have anti-wrinkle and skin conditioning benefits with no irritation.
- **Ectoin** - A naturally occurring molecule in the Extremolyte family, it helps protect skin cells from environmental & UV damage. Reduces inflammation, improves skin barrier function, and maintains balanced hydration for soft and smooth skin.

What it feels like: The green-tinted cream with tiny exfoliants is water-activated to create a light, creamy foam. It feels cushiony, with a gentle scrubbing action. Rinses easily and leaves skin feeling silky smooth and soft.

How to use: Moisten the body skin. Apply a generous amount and work into a lather to cleanse and exfoliate the skin, using circular motions. Rinse well with warm water. Follow with Dr. Nassif’s Hydro-Screen® Face & Body Soufflé, Serum or Crepe Inhibitor Body Butter (sold separately) or your favorite moisturizer.

Note: While Glycolic Acid is safe for daily use, we recommend you start slowly to ensure your skin is tolerant of this AHA. You may want to limit sun exposure; SPF use is recommended.

Ingredients: Water/Aqua, Glycolic Acid, Isopropyl Palmitate, Cetyl Alcohol, Caprylic/Capric Triglyceride, Phytelephas Aequatorialis Seed Powder, Vegetable Oil, Glycerin, Sodium Hydroxide, Polyacrylamide, Glyceryl Stearate, PEG-2 Stearate SE, Phenyl Trimethicone, C13-14 Isoparaffin, Laureth-7, Hydrogenated Vegetable Oil, Euphorbia Cerifera (Candelilla) Wax, Phenoxyethanol, Magnesium Aluminum Silicate, Xanthan Gum, Laneth-16, Ceteth-16, Oleth-16, Steareth-16, Parfum (Fragrance), Ectoin, Ethyl Ascorbic Acid, Tocopherol, Ethylhexylglycerin, Sorbitol, Dihydroxy Methylchromone, Acrylamide, Linalool, CI 19140 (Yellow 5), CI 42090 (Blue 1).

NASSIFMD® MICRO-SPA RADIANCE RESURFACING PEEL

An at-home micro-peel that reveals a smoother, brighter and more radiant complexion!

What it is: This innovative treatment uses the power of Vitamin C, AHA's, BHA's and peptides to transform the skin. This quick & easy two-step system

- Helps slough away dead skin cells, dirt and debris, and unclog pores
- Improves cellular turnover, helping to enhance the look of skin texture & smoothness
- Reduces the appearance of fine lines and wrinkles
- Brightens and evens the appearance of skin tone
- Provides potent antioxidant protection
- Helps optimize the skin barrier function
- Can be used 1-2x weekly

Why it works: *Key Ingredients & Benefits:*

- **L-Ascorbic Acid Crystals** - Exfoliate and revitalize the skin, helping even out the appearance of skin tone and sloughing away dead skin layers that can cause the complexion to look dull and rough.
- **Tetrahexyldecyl Ascorbate (BV-OSC)** - A stable Vitamin C derivative that helps brighten the skin, even out skin tone and improve the appearance of skin texture.
- **Dermaxyl™** - A smart peptide, it is an anti-aging, wrinkle smoothing and cutaneous barrier repair ingredient. It stimulates cell communication and then repairs the age-related skin damage.
- **Antioxidants** - Vitamin E and Vitamin C help fight free radical aggressors.
- **AHA Complex** - from Lactic Acid gently exfoliates for improved cellular turnover, helping improve the appearance of skin tone, texture and smoothness.
- **Salicylic Acid** - A member of the Beta-hydroxy acid family, it is used to exfoliate dead skin cells, treat acne breakouts, reduce inflammation, and improve overall skin texture.
- **Gulf Stream Sea Water™** - With soothing essential minerals, it improves skin hydration, boosts skin barrier function, soothes inflammation and minimizes the appearance of fine lines & wrinkles.

Proven Results: Consumer Perception Study & User Testimonials

How to use: **Step 1. Radiance Resurfacing Mask Vitamin C Crystals:** Apply a teaspoon-sized amount to clean, dry skin as if you are applying a mask. Avoid eye area. Gently massage (do not scrub) in a circular motion for approx. 60 seconds. Massage less for sensitive skin. Dampen skin slightly, if needed, to apply crystals more easily. **Step 2. Radiance Activating AHA/BHA Gel:** Using a generous teaspoon amount in your palm, gently massage onto fingertips & apply over the crystal mask. During activation, a warming sensation & a white foam will appear. For sensitive skin, let foam rest 2-3 minutes for ingredients to absorb. For normal & oily skin, continue to massage during this time for extra exfoliating benefits. Rinse thoroughly.

Ingredients: **Radiance Resurfacing Mask Vitamin C Crystals:** PEG-8, Sodium Bicarbonate, Silica, Oleth-20, Ascorbic Acid, Glyceryl Stearate SE, C12-15 Alkyl Benzoate, Tribehenin, Ceramide NG, PEG-10 Phytosterol, Palmitoyl Hexapeptide-12, Citrus Aurantium Dulcis (Orange) Peel Oil, 1,2-Hexanediol, Caprylyl Glycol, Tocotrienols, Tocopherol, Elaeis Guineensis (Palm) Oil, Tetrahexyldecyl Ascorbate, Melia Azadirachta Flower Extract, Melia Azadirachta Leaf Extract, Ocimum Sanctum Leaf Extract, Ocimum Basilicum (Basil) Flower/Leaf Extract, Curcuma Longa (Turmeric) Root Extract, Corallina Officinalis Extract, Squalene, Beta-Sitosterol, Tropolone, Limonene, Linalool, Citral. **Radiance Activating AHA/BHA Gel:** Aqua (Water), Propanediol, Lactic Acid, Salicylic Acid, Sodium Hydroxide, Acacia Senegal Gum, Aloe Barbadensis Leaf Extract, Lactobacillus/Punica Granatum Fruit Ferment Extract, Mandelic Acid, Sea Salt (Maris Sal), Xanthan Gum, Polyquaternium-10, Phenoxyethanol, Maltodextrin, Sodium Carbonate, Sodium Chloride.

Serums

BEST
SELLER

NASSIFMD® HYDRO-SCREEN® ADVANCED TECHNOLOGY HYDRATION & RETINOL SERUM

Hydration, moisturization and protection; the key to healthy skin!

What it is: An advanced technology, age-defying serum fortified with Hyaluronic Acid, Ceramides, Retinol and Lipids.

The multi-tasking, silky-smooth, essential skin treatment:

- Hydrates the deeper layers of the skin while also protecting the surface from damage
- Helps strengthen the skin barrier function to minimize moisture loss
- Optimizes the skin's natural hydration to improve the look of dry and aging skin
- Delivers powerful antioxidants to prevent skin cell damage
- Promotes collagen production and brightens skin tone
- Improves skin elasticity and firmness
- Diminishes the appearance of wrinkles

Why it works: Key Ingredients & Benefits:

- **Hyaluronic Filling Spheres™** - A dehydrated form of Hyaluronic Acid that swells with moisture when applied. Helps provide intense moisturization, improve the look of deeper lines and wrinkles, improve skin firmness and elasticity, and add volume to the appearance of facial contours.
- **Ceramide NP** - A naturally occurring, long chain of lipids (fats) that are major components of the skin's outer layers, it supports the renewal of the skin's natural protective layer and forms an effective barrier against moisture loss.
- **Retinol** - Commonly known as Vitamin A, it is a skin-restoring, wrinkle-smoothing, firming ingredient and an antioxidant, allowing it to improve a range of skin concerns related to visible signs of aging.
- **Sytenol® A** - A natural antioxidant and skin-restoring ingredient found in the babchi plant; it is a gentler alternative to retinol. Its soothing and smoothing properties help reduce the look of fine lines and wrinkles, boost collagen production, improve skin texture and even the skin tone.
- **Retinol Molecular Film Fluid** - A very thin film that contains stabilized Retinol (Vitamin A) and Tocopherol (Vitamin E) to enhance its delivery and absorption into the skin. Helps to minimize trans-epidermal water loss and provide a soft and pleasant feel to the skin.
- **Lipochroman®** - A synthetic molecule that has a similar structure to Vitamin E, it works as a super potent antioxidant to help prevent damage to skin cells and tissues which trigger skin aging.

Proven Results: Before & After's and Shown via Hydrometer to immediately increase the skin's hydration

What it feels like: The clear golden serum has a luxuriously silky feel and a subtle, pleasant scent. It absorbs quickly and leaves skin feeling smooth, soft, and comforted, with no tackiness.

How to use: Apply 2-3 drops to a clean face, neck and décolleté. Allow the serum to absorb into skin. Use twice daily, morning and evening, as the last step in your regimen to provide immediate hydration and provide an invisible barrier to seal in moisture in one step.

Ingredients: Cyclopentasiloxane, Cyclotetrasiloxane, Cyclohexasiloxane, Dimethiconol, Dimethicone, Caprylyl Methicone, Ethylhexyl Palmitate, Ethylhexyl Cocoate, Retinol, Bakuchiol, Tetrahexyldecyl Ascorbate, Dimethylmethoxy Chromanol, Sodium Hyaluronate, Glycosphingolipids, Ceramide NP, Tocopherol, Glycine Soja (Soybean) Oil, Silica Dimethyl Silylate, Butylene Glycol, Pentylene Glycol, Tocopheryl Acetate, Parfum (Fragrance), Bisabolol, Tocotrienols, Elaeis Guineensis (Palm) Oil, BHT, Lecithin, Phenyl Trimethicone, Caprylyl Glycol, Squalene, Beta-Sitosterol, Octadecendioic Acid, Acetic Acid, Linalool, Geraniol, Amyl Cinnamal.

NASSIFMD® DERMAFLECT ANTI-AGING DAY THERAPY, VITAMIN C & HYALURONIC ACID

Use the power of the sun to protect and enhance your skin!

What it is: *This creamy hydration serum:*

- Accelerates and supports the skin’s ability to fight and repair environmental aggressors
- Delivers targeted protection with microcapsules filled with powerful antioxidant Vitamins C and E
- Protects against UV and blue light aggressors
- Hydrates, protects and enhances the skin
- Diffuses light to blur fine lines, wrinkles and minor imperfections and makes them less visible
- Works to even skin tone, brighten and reduce dark spots over time

Why it works: *Key Ingredients & Benefits:*

- **Smartvector® UV-CE** - An antioxidant complex in a UV-sensitive membrane boasts a unique and patented delivery system for optimal treatment. When activated by UV light, it releases a highly effective antioxidant blend of Vitamins C and E.
- **Hyasol BT** - A patented form of high molecular weight Hyaluronic Acid that delivers maximum hydration to improve skin smoothness, elasticity and vitality.
- **Ectoin** - A naturally occurring molecule in the Extremolyte family, it helps protect skin cells from environmental & UV damage, reduces inflammation, improves skin barrier function, and maintains balanced hydration for soft and smooth skin.
- **Vitamin C** - Helps even skin tone, brighten and reduce dark spots over time.
- **Red Tourmaline** - A semi-precious stone that instantly brightens the skin and creates a warming sensation that helps increase collagen production.
- **RonaFlair® LDP White** - A mineral complex that diffuses light to instantly blur the appearance of fine lines and wrinkles.

Proven results: B & A’s, Hydrometer

What it feels like: The lightweight serum feels cushiony and refreshing upon application, with a pleasant scent. It liquifies quickly and leaves skin feeling moist and dewy.

How to use: Apply on clean, dry skin in the morning and as needed. Follow with Hydro-Screen Advanced Technology Serum to add hydration and lock in moisture.

Ingredients: Aqua (Water), Propanediol, Cyclopentasiloxane, Glycerin, Cyclohexasiloxane, Helianthus Annuus (Sunflower) Seed Oil, Ammonium Acryloyldimethyltaurate/VP Copolymer, Dimethicone, Sodium PCA, Urea, Trehalose, Triacetin, Caprylyl Glycol, Polyquaternium-51, Sodium Hyaluronate, Butylene Glycol, Pentylene Glycol, Hexylene Glycol, Caprylic/Capric Triglyceride, Tocopherol, Ascorbyl Tetraisopalmitate, Carbomer, DNA, Phenoxyethanol, Ethylhexylglycerin, Sodium Potassium Aluminum Silicate, Silica, Hydrogenated Lecithin, Panthenol, Oleth 10, Ectoin, Parfum (Fragrance), Tetrahexyldecyl Ascorbate, Bakuchiol, Tocopheryl Acetate, Aloe Barbadensis Leaf Extract, Maltodextrin, Disodium EDTA, Citric Acid, Tourmaline, tButyl Alcohol, Glutamylamidoethyl Imidazole, Sorbic Acid, CI 77891 (Titanium Dioxide), Linalool, Limonene, Geraniol.

NASSIFMD® NIGHTTIME ANTI-AGING THERAPY, VITAMIN C & RETINOL SERUM

We take the meaning of Beauty Sleep to a whole new level!

What it is: *An intensive age-defying skin treatment that works while you sleep*

The concentrated multi-tasking serum delivers key skin benefits:

- Provides lasting hydration
- Boosts collagen to improve skin firmness and elasticity
- Delivers antioxidant protection
- Visibly evens and brightens skin tone
- Helps improve the appearance of fine lines and wrinkles
- Helps restore a more youthful appearance

Why it works: *Key Ingredients & Benefits:*

- **AcquaCell™** - A natural complex of watermelon, apple and lentil extracts that provides 24-hour hydration, relieves skin dryness, and improves the appearance of fine lines and wrinkles.
- **InuMax Advanced Retinol** - This potent Vitamin A derivative is gentler to skin due to its liposome-type delivery system. It reduces hyperpigmentation and the appearance of sun spots, helps boost collagen production, improves skin texture, and minimizes the appearance of fine lines and wrinkles.
- **Elasta-derm C Complex** - An antioxidant and age-defying complex. Helps regulate circadian rhythms, minimize the appearance of wrinkles, lighten, and even skin tone and fight free radical damage.
- **Aquaxyl™** - A complex of natural, plant-derived humectants, it acts as an anti-dehydration shield. Promotes circulation and improves skin barrier function for lasting hydration and softer, smoother skin.
- **Ethyl Ascorbic Acid** - A stable form of Vitamin C, it provides antioxidant protection, helps improve the look of fine lines and wrinkles, even and brighten skin tone, improve skin firmness, and improve overall skin tone and texture.
- **Hyaluronic Acid** - A naturally occurring molecule that can hold 1,000 times its weight in water, it delivers hydration, improves skin texture and elasticity, and minimizes the appearance of fine lines and wrinkles.
- **Allantoin** - Extracted from the root of the comfrey plant, it soothes and protects with the ability to heal and stimulate new tissue growth.

Proven results: *B&A's, In a Clinical Study...*

- After two hours of initial application, *reduced the appearance of fine lines*
- After two weeks of use, *increased the skin's water retention by 85%*
- After two weeks of use, *increased the skin's 24-hour hydration levels by 35%*

What it feels like: The pale gold lotion liquifies on contact with a silky glide and quick absorption. Skin feels softer and slightly dewy to the touch.

How to use: Apply nightly on clean, dry skin. For maximum efficacy, follow with our Hydro-Screen® Hydrating Serum.

Ingredients: Aqua (Water), Glycerin, Butylene Glycol, Dimethicone, Caprylyl Methicone, Sorbitol, Isostearyl Alcohol, Butylene Glycol Cocoate, 3-O-Ethyl Ascorbic Acid, Dimethiconol, Citrullus Lanatus (Watermelon) Fruit Extract, Pyrus Malus (Apple) Fruit Extract, Lens Esculenta (Lentil) Fruit Extract, Panthenol, Ectoin, Retinol, Sodium Hyaluronate, Xylitylglucoside, Anhydroxylitol, Xylitol, Caprylic/Capric Triglyceride, Dipotassium Glycyrrhizate, Tocopheryl Acetate, Allantoin, Polysorbate 80, Polysorbate 20, Isohexadecane, Sodium Acrylate/Sodium Acryloyldimethyl Taurate Copolymer, Acrylates/C10-30 Alkyl Acrylate Crosspolymer, Triethanolamine, Ethylcellulose, Disodium EDTA, Sorbitan Oleate, Dihydroxy Methylchromone, Inulin Lauryl Carbamate, Sodium Lactate, Behentrimonium Chloride, Sodium PCA, Sucrose Laurate, BHT, Isopropyl Alcohol, BHA, Phenoxyethanol, Ethylhexylglycerin, Potassium Sorbate, Sodium Benzoate, Parfum (Fragrance), Linalool, Limonene, Geraniol.

NASSIFMD® HYDRO-GEL Skin Tone & Texture Mattifying Serum with Hyaluronic Acid, Retinol & Salicylic Acid
Complexion Perfecting Serum!

What it is: A weightless, fast-absorbing power-packed, multi-tasking mattifying gel serum that will improve skin tone & texture.

This oil free, rosemary water-based gel:

- Hydrates your skin
- Provides gentle exfoliation
- Helps balance sebum and oiliness
- Helps blur the appearance of imperfections
- Helps reduce the appearance of fine lines and wrinkles
- Helps pores appear smaller and less visible
- Improves skin tone and texture for a smoother, brighter and more youthful appearance
- Improves skin's radiance without unwanted shine
- Acts like a great primer, mattifying the skin, helping makeup apply more easily and last longer
- Safe for use around eyes

Why it works: *Key Ingredients & Benefits:*

- **Hy-Retin** - Retinol bound to Hyaluronic Acid is water soluble and non-irritating. It helps improve the appearance of lines and wrinkles, improves skin hydration, helps skin texture appear smoother, helps pores appear smaller and helps brighten the skin's appearance.
- **AcquaCell** - A natural complex from watermelon, lentil and apple that helps increase skin hydration.
- **Amiperfect ER** - A purified wintergreen extract is a natural salicylic acid molecule that helps improve the appearance of fine lines and wrinkles, smooths the skin texture and improves skin radiance while eliminating excess sebum.
- **Rosemary Water** - Helps to firm skin, improve elasticity and cell turnover helping fine lines and wrinkles appear less noticeable. It also soothes and calms skin.
- **Aloe Vera** - Acts as an antioxidant and has anti-inflammatory properties to soothe and calm skin.

Proven Results: Before & After's and *in a Consumer Perception Study...*

9 of 10 participants agreed their skin looked brighter, more even, smoother, hydrated and fine lines and wrinkles and pores were less noticeable!

What it feels like: The translucent gel-serum liquifies on contact for a refreshing watery feel, then absorbs quickly for skin that feels smooth with a matte finish.

How to use: Use morning and night on the face after cleansing and Detox Pads, if desired. Can be layered with other beauty treatments and finished with NassifMD Hydro-Screen or a moisturizer of choice.

Ingredients: Aqua (Water), Rosmarinus Officinalis (Rosemary) Leaf Water, Propanediol, Glycerin, Sclerotium Gum, Gaultheria Procumbens (Wintergreen) Leaf Extract, Sodium Retinoyl Hyaluronate, Citrullus Lanatus (Watermelon) Fruit Extract, Pyrus Malus (Apple) Fruit Extract, Lens Esculenta (Lentil) Fruit Extract, Sodium PCA, Sodium Lactate, Sodium Hydroxide, Sodium Chloride, Sodium Carbonate, Allantoin, Dipotassium Glycyrrhizate, Aloe Barbadensis Leaf Extract, Panthenol, Sodium Phytate, Alcohol, Maltodextrin, Potassium Sorbate, Sodium Benzoate, Phenoxyethanol, Ethylhexylglycerin.

NASSIFMD® DAILY REVITALIZING ANTIOXIDANT SERUM

Prevent signs of aging with this lightweight, oil-free all-day hydration!

What it is: *Your first line of defense against the daily onslaught of environmental aggressors*

The lightweight serum contains powerful antioxidants to help prevent signs of premature aging:

- A potent blend of ingredients that work together to hydrate, soothe, and revitalize the skin
- Absorbs quickly to provide immediate and lasting hydration
- Improves the look of fine lines and wrinkles
- Visibly brightens and evens skin tone
- Skin feels softer and skin texture appears smoother with continued use

Why it works: *Key Ingredients & Benefits:*

Dr. Nassif's 4X Antioxidant Complex - A proprietary blend of potent antioxidants that help fight free radicals and protect the skin barrier function:

- **Vitamin C** - An antioxidant that protects against free radical damage, evens skin tone & promotes collagen production.
- **Lipochroman** - An oxygen-radical scavenging molecule with strong antioxidant properties, it helps prevent skin cell damage and support collagen production.
- **Sepitonic™ M3** - A mineral complex made from copper, zinc and magnesium, it protects against free radicals, improves cellular oxygenation, protects the dermis and improves cellular communication.
- **Ectoin** - A naturally occurring molecule in the Extremolyte family with a lot of "antioxidant-like" behaviors. It helps protect skin cells from environmental & UV damage, reduces inflammation, improves skin barrier function, and maintains balanced hydration for soft and smooth skin.
- **Sea Salt (Maris Sal)** - Soothing essential minerals, derived from the Brehat Archipelago in France, improve skin hydration, boost skin barrier function, soothe inflammation and minimize the appearance of fine lines & wrinkles.
- **Niacinamide** - A derivative of Vitamin B3, its anti-inflammatory properties help relieve blemishes and skin irritations; helps boost skin metabolism to minimize fine lines & wrinkles, diminish hyperpigmentation & combat free radicals.

Proven Results: Before & After's and In a Consumer Perception Study:

- 93% said their skin stayed hydrated all day long
- 93% said the serum was lightweight and quickly absorbed
- 90% said their skin feels very hydrated/moisturized
- 86% said their skin feels softer
- 83% said their skin has a radiant glow

What it feels like: The clear, watery serum feels refreshing and absorbs quickly. Skin feels moist without any shine.

How to use: Apply daily, after cleansing and Detox Pads and before your daytime moisturizer. Can be used alone or layered into your existing skincare regimen. Finish with Dr. Nassif's Hydro-Screen® to lock in skin loving benefits.

Ingredients: Aqua (Water), Glycerin, Propanediol, Maris Sal (Sea Salt), 3-O-Ethyl Ascorbic Acid, Niacinamide, Bis-PEG-18 Methyl Ether Dimethyl Silane, Magnesium Aspartate, Zinc Gluconate, Copper Gluconate, Butylene Glycol, Polysorbate 20, Micrococcus Lysate, Phenoxyethanol, Ethylhexylglycerin, Acacia Senegal Gum, Xanthan Gum, Ectoin, PEG-8 Dimethicone, PPG-5-Ceteth-20, Glycosphingolipids, Glycolipids, Allantoin, Aloe Barbadensis Leaf Extract, Maltodextrin, Sodium Hyaluronate, Dimethylmethoxy Chromanol, Citric Acid, BHT, Parfum (Fragrance), Amyl Cinnamal, Benzyl Salicylate, Citronellol, Linalool, Eugenol.

NASSIFMD® NIGHTLY RESTORATIVE ANTIOXIDANT SERUM

Prevent signs of aging and wake up to rested, radiant skin!

What it is: *Your nighttime defense against the daily onslaught of environmental aggressors*

The lightweight serum contains powerful antioxidants to help prevent signs of premature aging:

- A potent blend of ingredients that work together to smooth and restore the look of tired skin
- Provides essential hydration at night when skin can become dehydrated
- Improves the look of fine lines and wrinkles
- Helps reduce the appearance of dark circles
- Visibly brightens the look of a dull complexion
- Works while you sleep for a more youthful-looking, rested appearance

Why it works: *Key Ingredients & Benefits:*

- **Dr. Nassif's Antioxidant Complex** - A proprietary blend that includes Vitamins C, A, E and F and supplies antioxidants to the skin to help fight free radical aggressors.
 - **Vitamin C** - An antioxidant that protects against free radical damage, evens skin tone & promotes collagen production.
 - **Vitamin A** - The name of a group of retinoids (Retinol, Retinal or Retinaldehyde, and Retinoic Acid) that boost skin cell turnover, stimulate collagen production, and possess anti-inflammatory properties.
 - **Vitamin E** - An antioxidant that protects the skin barrier, helps increase and retain skin's moisture content and reduce inflammation.
 - **Vitamin F** - Considered an omega-6 essential fatty acid, it is high in antioxidants. It hydrates and replenishes moisture, reduces inflammation, protects skin from UV rays and helps block out irritants.
- **Prodizia™** - This naturally derived complex from Persian Silk Tree Bark provides a visible reduction in signs of fatigue: dark circles, undereye puffiness, and dull complexion. It helps regulate melatonin levels and repair skin cells.
- **Melatonin** - A powerful antioxidant, it helps protect collagen and prevent oxidative damage
- **Aesthigel** - Obtained from red algae, it deeply hydrates skin, from the surface down to basal layers, through its water-binding properties. Faster and more efficient than Hyaluronic Acid to hydrate the skin.

Proven Results: *Before & After's and In a Consumer Perception Study...*

- 100% said their skin looked more rested with continued use and likes it was lightweight & absorbed quickly
- 96% said their skin feels more hydrated and softer and overall looks better, visibly brighter and smoother
- 93% said their skin appeared smoother and more even and the appearance of lines and wrinkles diminished
- 90% said their undereye circles appear less noticeable & their skin appears firmer and their pores appear less noticeable

What it feels like: The milky white lotion liquifies on contact with a silky glide and quick absorption. Skin feels softer and slightly dewy to the touch.

How to use: Apply to clean, dry skin on face, undereye area and neck every evening. Follow with Hydro-Screen® or your nighttime moisturizer. Use as your nightly serum or add to your existing skincare regimen.

Ingredients: Aqua (Water), Caprylyl Methicone, Dicaprylyl Ether, Hydrogenated Lecithin, Albizia Julibrissin Bark Extract, Behenyl Alcohol, Glycerin, Phenoxyethanol, Tetrahexyldecyl Ascorbate, Polysorbate 20, Xanthan Gum, Sclerotium Gum, Lysolecithin, Parfum (Fragrance), Ethylhexylglycerin, Bakuchiol, Pullulan, Stearyl Glycyrhettinate, Tocopheryl Acetate, PEG-20 Glyceryl Laurate, Sodium Phytate, Citric Acid, Silica, Sodium Hyaluronate, Melatonin, Sodium Carrageenan, Sodium Benzoate, Retinyl Palmitate, Linoleic Acid, Tocopherol, Benzyl Salicylate, Amyl Cinnamal, Citronellol, Linalool, Alcohol, Sea Salt, Caprylyl/Capric Triglyceride, Diethylhexyl Syringylidenemalonate

NASSIFMD® DECO-LIFT FIRMING & LIFTING COMPLEX SERUM

The Fountain of Youth for your neck and décolleté!

What it is: A state-of-the-art formula that targets sagging skin on the chin, jawline and neck

The silky serum has a gel-like texture that glides on easily and absorbs quickly:

- Deeply hydrates to relieve dryness and minimize crepey-looking skin
- Diminishes the appearance of fine lines and wrinkles
- Delivers skin firming and lifting benefits
- Enhances the appearance of facial contour and muscle tone
- Creates a firmer, more youthful appearance

Why it works: Key Ingredients & Benefits:

- **Renovage™** - A peptide complex shown to reduce inflammation and redness, restore skin's moisture balance, reduce hyperpigmentation, improve the appearance of fine lines & wrinkles, boost skin elasticity and plumpness, and provide antioxidant protection.
- **Aquaxyl™** - A combination of plant-derived humectants that target dry and dehydrated skin by improving water circulation and skin barrier function. Acts as an anti-dehydration shield.
- **Elasta-Derm C** - An antioxidant and age-defying proprietary complex that includes 3-O-Ethyl Ascorbic Acid (a stable form of Vitamin C) helps fight free radical damage, even and brighten skin tone, improve the look of fine lines and wrinkles, boost skin firmness, and enhance overall skin tone and texture.
- **Glycolic Acid** - A naturally occurring alpha hydroxy acid (AHA), it works to exfoliate pore-clogging dead skin cells that sit on the skin's surface and helps retexturize, brighten and refresh lackluster skin.
- **Dimethylaminoethanol (DMAE)** - A derivative of the B vitamin Choline, it has been shown to cause skin tightening. It helps reduce fine lines and wrinkles and improves the overall appearance of mature skin.

Proven results: Before & After's

What it feels like: The pale ivory-tinted, lightweight gel/serum applies easily and quickly melts onto the skin, leaving a subtle scent and a moist feel.

How to use: Apply to clean skin. Gently massage onto neck and décolleté, using gentle upward strokes. Use twice daily, morning and evening. Follow with Hydro-Screen® Hydrating Serum, for added hydration & moisturization.

Ingredients: Aqua (Water), Caprylic/Capric Triglyceride, Dimethyl MEA, Glycolic Acid, Caprylyl Methicone, Cetearyl Alcohol, Xylitylglucoside, Glycerin, Niacinamide, Glyceryl Stearate, PEG-100 Stearate, Silica, Glyceryl Behenate, Cetareth-20, Parfum (Fragrance), Helianthus Annuus (Sunflower) Seed Oil, Anhydroxylitol, PPG-12/SMDI Copolymer, Xylitol, Teprenone, Sorbitol, Dihydroxy Methylchromone, 3-O-Ethyl Ascorbic Acid, Ectoin, Sodium Hyaluronate, Xanthan Gum, Lysolecithin, Sclerotium Gum, Polyacrylate-13, Allantoin, Tocopheryl Acetate, Panthenol, Pullulan, Polyisobutene, Isosorbide Dicaprylate, Disodium EDTA, Stearyl Glycyrhethinate, Polysorbate 20, Sorbitan Isostearate, Phenoxyethanol, Ethylhexylglycerin, Hydroxyisohexyl, 3-Cyclohexene, Carboxaldehyde, Hydroxycitronellal, Geraniol, Linalool, Citronellol, Limonene.

NASSIFMD® WRINKLE BLUR TARGETED TREATMENT

Not into facial fillers? This intensive targeted treatment will instantly blur the look of those annoying bothersome wrinkles. When applied to the wrinkle, hyaluronic acid and peptides immediately plump the wrinkle, minerals diffuse their appearance and ascorbic acid helps to firm when used over time.

What it is: *This powerful targeted treatment works like an instant wrinkle filler:*

- To visibly smooth the appearance of wrinkles
- To help blur the appearance of skin imperfections
- Contains moisturizers to help plump the appearance of the skin
- Helps to brighten the appearance of skin
- Helps diminish the appearance of under eye dark circles
- Helps provide antioxidant protection
- Helps brighten and even skin tone
- Helps to instantly hydrate the skin
- Helps stimulate collagen production
- Helps to firm the skin, when used over time

Why it works: *Key Ingredients & Benefits:*

- **Ascorbic Acid (Vitamin C)** - A stabilized form of Vitamin C, it helps to brighten and lighten the complexion, reduce dark spots, promote collagen production, and provide antioxidant protection.
- **Haloxly™**- A combination of peptides which help to brighten and fade away dark circles.
- **Hyacolor™**- Obtained from a small molecule of Sodium Hyaluronate (Hyaluronic Acid) and botanical oils through a unique HA microsphere technology, it releases the HA inside the molecule upon application, to penetrate the skin quickly and nourish skin from the inside.
- **Diamond Powder** - Reflects light for a soft and subtle radiance, helping dull, tired skin appear to have a natural glow.
- **Ronastar White Allure** – Blurs the look of fine lines and wrinkles and skin imperfections using a titanium dioxide & mica sphere technology to diffuse light distribution

Proven Results: *Before & Afters*

What it feels like: The lightweight cream glides onto the skin like silk and quickly transforms to a soft, smooth matte finish, much like a makeup primer.

How to use: Apply a thin layer to areas of concern, dabbing into the wrinkle and not rubbing.

Ingredients: Dimethicone, Polysilicone-11, Ascorbic Acid, Isododecane, Diamond Powder, Sodium Hyaluronate, Ricinus Communis (Castor) Seed Oil, Hydrogenated Castor Oil, Water, Glycerin, Steareth-20, Chrysin, N-Hydroxysuccinimide, Palmitoyl Tripeptide-1, Palmitoyl Tetrapeptide-7, Tocopheryl Acetate, Synthetic Fluorphlogopite, Mica, Silica, Tin Oxide, Titanium Dioxide

NASSIFMD® 3HA MICRO-NEEDLE WRINKLE STRIPS

Inspired by Dr. Nassif's Medical Spa clientele

What it is: A targeted treatment that addresses facial lines and wrinkles without invasive surgery or fillers

The advanced technology adhesive strips deliver key actives exactly where they are needed:

- Helps soften the appearance of specific lines & wrinkles: crow's feet around the eyes; nose to mouth, forehead, upper lip, marionette lines, and "11" lines
- The rough side of the strip has little "micro-needles" that help deliver intensive hydration and skin-smoothing benefits onto skin for quick absorption
- Hydrates and plumps the appearance of lines and wrinkles
- Wrinkles appear softer and skin feels hydrated and more supple
- Simple and comfortable to use

Why it works: Key Ingredients & Benefits:

- Dr. Nassif recommends using his Nightly Restorative 4X Antioxidant Serum (sold separately) which adds a hydration layer and antioxidants to the skin prior to applying the strips.
- **3HA** - Contains 3 different molecular weight Hyaluronic Acids. The lowest weight HA is easily absorbed onto lower layers of the epidermis to help optimize hydration, while the highest weight HA is known to hold 1,000 times its weight in water. It draws moisture from the air and delivers it to the skin for continuous moisturization.
- **Bakuchiol** - A natural antioxidant and skin-restoring ingredient found in the plant *Psoralea corylifolia*; it is a gentler alternative to retinol. Its soothing and smoothing properties help reduce the look of fine lines and wrinkles, boost collagen production, improve skin texture and even the skin tone.
- **Propanediol** - Enhances absorption of ingredients. Hydrates, softens, and smooths skin. Protects from water loss.
- **Acetyl Hexapeptide-8** - An amino-peptide that helps reduce the appearance of fine lines and wrinkles. When applied to the face and neck, it helps to temporarily relax the facial muscles, so the skin relaxes and flattens.

Proven Results: In a Consumer Perception Survey:

- 100% said they would purchase the product and recommend it to a friend
- 100% said their skin feels hydrated
- 100% said the overall results get better with continued use
- 97% said their face has an overall more youthful and rested appearance the next day
- 97% said their skin looks smoother with continued use
- 97% said the strips are easy to apply
- 93% said their lines and wrinkles appear less noticeable with continued use
- 93% said the appearance of their skin texture has improved with continued use
- 90% said the strips make their specific areas of concern look better

How to use: Cleanse skin and dry thoroughly. Massage Nightly Restorative Serum (or serum of your choice) on skin including where you plan to apply the 3HA Strips. Carefully remove *both* protective films from each strip (white & transparent). Place the 3HA strip with the rough, micro-needle side down to the area of concern (undereye, crow's feet, nose to mouth, etc.). Gently press down to help the HA's absorb into the skin. Leave in place for 2 hours or more; or use while sleeping to ensure all active ingredients are absorbed. Remove the strips & proceed with your usual skincare regimen. Suggested Usage: Apply strips 2x weekly for the first 2 weeks, then 1x weekly thereafter for maintenance.

Ingredients: Sodium Hyaluronate, Trehalose, Propanediol, Caprylyl Glycol, Bakuchiol, Madecassoside, Ethylhexylglycerin, Acetyl Hexapeptide-8.

NASSIFMD® 3HA INSTANT HYDRATING FACIAL MIST

Like a glass of cool, refreshing water for the skin!

What it is: A convenient and indispensable skin hydrator and refresher

The fine mist spray delivers immediate and lasting hydration to the skin:

- Optimizes hydration with effective humectants that draw moisture to the skin
- Works as a hydrating face primer under makeup
- Can be used on bare skin for a fresh, natural look
- Delivers a quick, skin-refreshing mini treatment, any time of day
- Provides an after-shower moisture boost to the body
- Use on face, neck and décolleté; almost anywhere you feel the need to hydrate
- Can be used over makeup for added hydration throughout the day

Why it works: Key Ingredients & Benefits:

- **3HA** - Contains 3 different molecular weight Hyaluronic Acids. The lowest weight HA is easily absorbed onto lower layers of the epidermis to help optimize hydration, while the highest weight HA is known to hold 1,000 times its weight in water. It draws moisture from the air and delivers it to the skin for continuous moisturization.
- **CM Glucan** - A natural yeast derivative with antioxidant, anti-wrinkle, firming, plumping, regeneration, hydration, and anti-redness benefits.
- **Reversalys 30** - A blend of marine botanicals, moisture-binding compounds, and taurine (an amino acid), it helps minimize the appearance of skin puffiness, dark circles and fine lines and wrinkles.

Proven Results: Clinical Studies: In a small pilot study...

- **Reversalys 30** was shown to temporarily decrease the look of skin puffiness, dark circles, and fine lines and wrinkles.
- **CM Glucan** usage 2x daily for 1 month, participants showed an improvement in the look of crow's feet.

In a Consumer Perception Survey...

After one application, participants reported:

- 90% agreed they would use it as a refreshing mister after working out
- 90% agreed they would use it as a refreshing mister at the beach, pool or during the summertime
- 85% agreed skin felt hydrated without feeling heavy or oily
- 85% agreed they liked the feel on their skin

What it feels like: The light mist spray is instantly reviving and restoring. Skin looks a bit dewy feels hydrated and comfortable.

How to use: Spray on face and body, as needed to refresh and hydrate skin.

Ingredients: Aqua (Water), Dimethicone, Glycerin, Betaine, Sodium Carboxymethyl BetaGlucan, Imidazolidinyl Urea, Sodium Carrageenan, Jania Rubens Extract, Phenoxyethanol, Ethylhexylglycerin, Polysorbate 20, C2022 Alkyl Phosphate, C2022 Alcohols, Hydroxyethyl Acrylate/Sodium Acryloyldimethyl Taurate, Copolymer, Isohexadecane, Polysorbate 60, Sorbitan Isostearate, Polyacrylate Crosspolymer6, Allantoin, Disodium EDTA, Parfum (Fragrance), Sodium Hydroxide, Sodium Hyaluronate, tButyl Alcohol, Sodium Chloride, Sodium Carbonate, Benzyl Salicylate, Linalool

Moisturizers

NASSIFMD® PURE HYDRATION REJUVENATING NIGHT CREAM

Rejuvenate the look of your skin while you sleep!

What it is: *Your nighttime defense against environmental aggressors*

The richly hydrating and skin restoring night cream:

- Utilizes an innovative ingredient complex for deep and lasting hydration
- Supplies essential hydration at night when skin is most prone to dehydration
- Delivers antioxidant protection
- Supports the skin’s ability to fight and repair environmental aggressors
- Visibly evens and brightens skin tone
- Boosts collagen to improve skin firmness and elasticity
- Improves the appearance of fine lines and wrinkles
- Provides an overall more youthful-looking complexion

Why it works: *Key Ingredients & Benefits:*

- **H2OBioEV®** (Galactoarabinan) - A natural polysaccharide that comes from the Larch tree, it reduces trans-epidermal-water-loss, and improves the appearance of fine lines and wrinkles.
- **ViaPure® Poria** (Poria Cocos Extract) - Derived from the Fu Ling mushroom, the extract delivers extensive skin replenishing and protecting benefits: removes dead skin cells and purifies skin, moisturizes, improves microcirculation and provides antioxidant protection for soft, smooth and more vibrant looking skin.
- **BV-OSC® (Vitamin C)** - A stable, less irritating, active form of Vitamin C, it increases collagen production, helps brighten and even out skin tone, and provides antioxidant protection.
- **Aloe Barbadensis Leaf Extract** - An anti-inflammatory agent, it contains vitamins A, B, C, and E, that altogether contribute skincare benefits including antioxidant protection, moisturizing and skin-soothing properties.

Proven results: *Before and After's and In a Consumer Perception Study:*

- 100% said their skin feeds immediately hydrated
- 97% said their skin feels more hydrated with continued use
- 93% said their skin feels soothed and calmed
- 93% said their skin feels softer
- 93% said they would recommend the product to a friend
- 90% said they looked like they had a good night’s sleep & results get better with continued use

What it feels like: The pale ivory-tinted, rich and dense cream spreads easily with a cushiony feel. It absorbs quickly and leaves skin feeling moist and soothed.

How to use: Apply nightly after cleansing with Pure Hydration Gentle Cleanser and/or Detox Pads (or a cleanser of your choice). Use over our Nightly Restorative Antioxidant Serum (or your favorite serum). To further enhance hydration and moisturization, apply Hydro-Screen® as the last step in your regimen to lock in skin-loving benefits.

Ingredients: Aqua (Water), Caprylic/Capric Triglyceride, Propanediol, Dicaprylyl Ether, BisDiglyceryl Polyacyladipate-2, Glycerin, Cetyl Alcohol, Cetearyl Glucoside, Cetearyl Alcohol, Glyceryl Stearate, Sodium Acrylates Copolymer, Phenoxyethanol, PEG-100 Stearate, Dimethicone, Tetrahexyldecyl Ascorbate, Lecithin, Polyacrylate-13, Galactoarabinan, Tocopheryl Acetate, Parfum (Fragrance), Poria Cocos Extract, Allantoin, Polyisobutene, Xanthan Gum, Ethylhexylglycerin, Panthenol, Sodium Hyaluronate, Benzyl Alcohol, Sodium Phytate, Polysorbate 20, Linalool, Sorbitan Isostearate, Aphanothece Sacrum Polysaccharide, Potassium Sorbate, Maltodextrin, Aloe Barbadensis Leaf Extract, Limonene, Alcohol.

NASSIFMD® HYDRO-SCREEN® INTENSE HYDRATION FACE & BODY SOUFLÉ

A tall glass of water for your skin!

What it is: An intensive hydrating and moisturizing treatment for the largest vital organ; your skin

The gentle, whipped, light texture cream for use on the face and body:

- Delivers immediate moisturization, from head to toe
- Helps increase the skin’s own internal water reservoir to keep skin moisturized and hydrated
- Help optimize the skin’s moisture balance
- Minimizes the look of fine lines and wrinkles
- Enhances the appearance of skin firmness
- Helps even the skin tone
- Provides softer, smoother looking skin with a radiant glow

Why it works: Key Ingredients & Benefits:

- **Hyaluronic Acid** - A naturally occurring molecule that can hold 1,000 times its weight in water. Helps provide hydration, improve the look of fine lines and wrinkles and improve skin texture and elasticity.
- **Ceramosides™ HP** - Rich in Omega 3, 6, and 9, it moisturizes and helps improve skin elasticity and firmness, and the appearance of pores. It acts as a high-performance age-defying shield.
- **Sytenol® A** - A natural antioxidant and skin-restoring ingredient found in the babchi plant; it is a gentler alternative to Retinol. Its soothing and smoothing properties help reduce the look of fine lines and wrinkles, boost collagen production, improve skin texture and even the skin tone.

Proven Results: Before & After's and *In a Consumer Perception Study...*

- 100% said the product is gentle on their skin
- 91% say their facial skin feels instantly hydrated and feels very hydrated and moisturized
- 88% say their skin is more supple and the product absorbs quickly
- 88% said the skin on their body felt instantly hydrated
- 84% said their skin has a healthier-looking glow

What it feels like: The lightweight, water-based cream liquifies on contact for a silky-smooth application that leaves skin feeling moisturized and dewy.

How to use: For optimal results, first cleanse and exfoliate with Detox Pads. Then apply the cream on face and body, massaging lightly until completely absorbed into skin. It is easy to apply to the face and then use any excess product down your arms, elbows and hands. Follow with Hydro-Screen® Serum to lock in hydration. Use morning or night. Safe for use around the eyes.

Ingredients: Aqua (Water), Butylene Glycol, Dimethicone, Glycerin, Caprylic/Capric Triglyceride, Isostearyl Alcohol, Butylene Glycol Cocoate, Cetyl Alcohol, Glyceryl Stearate, PEG-75 Stearate, Ceteth20, Steareth-20, Ethylcellulose, Phenoxyethanol, Ethylhexylglycerin, Ammonium Acryloyldimethyltaurate/VP Copolymer, Bakuchiol, Parfum, Acrylates/ C10-30 Alkyl Acrylate Crosspolymer, Xanthan Gum, Glycosphingolipids, Glycolipids, Sodium Hyaluronate, Disodium EDTA, Tocopheryl Acetate, Sodium Hydroxide, t—Butyl Alcohol, Linalool, Citronellol, Amyl Cinnamal, Benzyl Salicylate.

NASSIFMD® CREPE INHIBITOR TRIPLE ACTION BODY BUTTER

Dry, dehydrated, crepe-like skin can happen at any age!

What it is: A cutting-edge formula that delivers immediate skin-restoring benefits with lasting results

The rich, emollient shea butter body treatment provides instant comfort and visible improvement:

- Reduces the appearance of dry, crepey and dehydrated skin while providing long term hydration
- A proprietary blend of three powerhouse ingredients helps rehydrate, repair, and rejuvenate skin
- Helps to slow down the cell aging process
- Diminishes the appearance of lines and wrinkles
- Diffuses light to blur fine lines, wrinkles and minor imperfections and makes them less visible
- Promotes hydrated, healthier, smoother, and more supple looking skin

Why it works: Key Ingredients & Benefits:

- **Shea Butter** - A skin emollient rich in antioxidants and skin-replenishing fatty acids, it is known to benefit dry skin and protect against weather, sun and photoaging and the elimination of superficial irritations.
- **Glycoin®** - A natural, age-defying active derived from marine blue-green algae, it nourishes and revitalizes sluggish skin cells, increases hydration, and improves skin elasticity.
- **Renovage™** - A peptide complex shown to reduce inflammation and redness, restore skin's moisture balance, reduce hyperpigmentation, improve the appearance of fine lines & wrinkles, boost skin elasticity and plumpness, and provide antioxidant protection.
- **Aquaxyl™** - A combination of plant-derived humectants that target dry and dehydrated skin by improving water circulation and skin barrier function. Acts as an anti-dehydration shield.
- **Gold powdered pigment** - A mineral complex that diffuses light to help blur skin imperfections.

Proven Results: Before & After's

What it feels like: The thick, luxurious white cream glides onto skin and provides soothing, smoothing comfort. It absorbs easily and leaves skin feeling hydrated without any greasy residue.

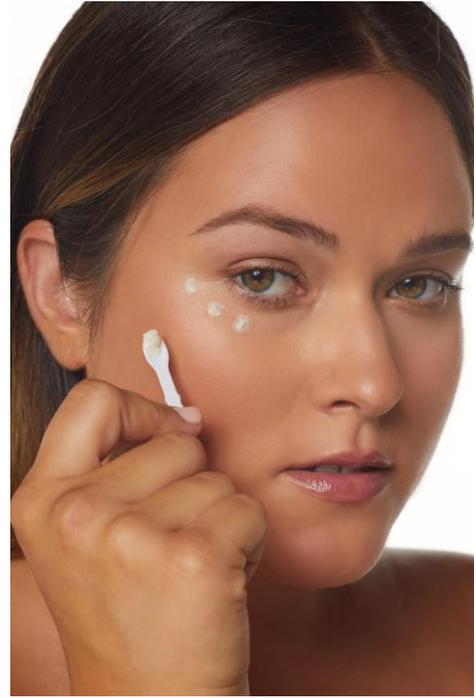

How to use: For optimal results, apply to clean, dry skin in the morning and evening. Apply a generous amount to dry, visibly crepey skin on the body. Pay attention to areas such as the arms, above the elbows and wrists; above the knees, back of legs and calves; ankle area and feet; and upper chest and décolleté.

Ingredients: Aqua (Water), Butyrospermum Parkii (Shea) Butter, Caprylic/Capric Triglyceride, Dicaprylyl Ether, Glyceryl Stearate, Glycerin, Cetyl Alcohol, Xylitylglucoside, Bentonite, Behenyl Alcohol, Potassium Cetyl Phosphate, Anhydroxylitol, Cannabis Sativa Seed Oil, Glyceryl Glucoside, Phenoxyethanol, Xylitol, CI 77891, Xanthan Gum, Mica, Allantoin, Parfum (Fragrance), Ethylhexylglycerin, Disodium EDTA, Teprenone, Citric Acid, CI 77861, Benzyl Salicylate, Amyl Cinnamal, Citronellol, Linalool.

Eye Care

NASSIFMD® AGE DEFYING EYE RENEWAL SERUM

A peptide powerhouse to treat the entire delicate eye area!

What it is: A proprietary combination of power-packed peptides and hyaluronic acid designed to target the entire eye area - undereye, crow's feet and eyelids

The lightweight serum glides onto the skin:

- Helps to improve the appearance of fine lines and wrinkles around and above the eye area
- Helps to brighten the appearance of dark undereye circles
- Reduces the appearance of undereye puffiness
- Provides antioxidant protection against free radical aggressors
- Hydrates and replenish skin's moisture
- Eyes appear smoother, brighter, and more youthful looking

Why it works: Key Ingredients & Benefits:

- **Argireline® Amplified** - An advanced hexapeptide, Acetyl Hexapeptide-8, helps expression lines appear softer and less prominent while also helping the skin look more radiant.
- **Eyeseryl® Solution B** - An Acetyl Tetrapeptide-5 complex that reduces puffiness and dark circles in the eye area, moisturizes skin and improves skin elasticity.
- **Hyasol BT** - A patented form of high molecular weight Hyaluronic Acid that delivers maximum hydration to improve skin smoothness, elasticity and vitality.
- **Pullulan** - A natural polysaccharide produced by bio-fermentation, it has a silicone-like texture and excellent adhesive & film forming properties for a protective barrier against oxidative stress. It has been shown to tighten skin in the short and long term and it can retain moisture and prevent water loss.
- **Aloe Vera Extract** - A plant extract that has soothing properties, antioxidant qualities, and serves as a hydrating agent for skin due to its polysaccharide and sterol content.

Proven Results: Before & After's and *In a CPS Study...*

After 4 weeks of use, >90% of the participants agreed there was improvement in the appearance of fine lines and wrinkles, undereye puffiness, skin tone, skin firmness, skin texture and dryness in the eye area.

What it feels like: The opaque cream liquifies on contact and applies easily to the delicate eye area with no pulling or tugging. The skin feels smooth with a soft matte finish.

How to use: Apply a small amount with a gentle patting motion under and around the eye area, including the crow's feet and undereye area, morning and evening.

Ingredients: Aqua (Water), Cyclopentasiloxane, Dimethicone, Dimethicone/Vinyl Dimethicone Crosspolymer, Butylene Glycol, PPG-12/SMDI Copolymer, Polymethylsilsesquioxane, PEG-10 Dimethicone, Sodium Chloride, Pullulan, Propanediol, Phenoxyethanol, Caffeine, Tocopheryl Acetate, Panthenol, Disteardimonium Hectorite, Acetyl Tetrapeptide-5, Acetyl Hexapeptide-8, Tocopherol, Allantoin, Glycerin, Chamomilla Recutita (Matricaria) Flower Extract, Camellia Oleifera Leaf Extract, Disodium EDTA, Ethylhexyl polyhydroxystearate, Sodium Hydroxide, Sodium Carbonate, Sodium Sulfate, Sodium Benzoate, CI16035 (Red 40), CI42090 (Blue 1)

NASSIFMD® PERI-ORBITAL EYE COMPLEX

An eye beauty treatment for a brighter outlook!

What it is: *An intensive hydrating and lifting treatment for the eye area with immediate and lasting benefits*

The rich, yet lightweight cream glides easily onto the skin and absorbs quickly:

- Specially formulated to help improve the visible signs of aging around the delicate eye area
- Delivers benefits that result in temporarily smoother, brighter and firmer-looking eye area skin
- Helps provide a more open and lifted look to hooded eyelids
- Helps the entire eye area appear more awake and open
- Provides significant hydration
- Reduces the wrinkle depth on the crow’s feet area
- Visibly erases fine lines in minutes, and lasts for hours

Why it works: *Key Ingredients & Benefits:*

- **Elasta-derm C Complex** - An antioxidant and age-defying complex that helps regulate circadian rhythms, fight free radical damage, minimize the appearance of wrinkles, and lighten and even the skin tone.
- **Vin-Uplift** - A complex made from Swiss ice wine; it is rich in polyphenols that provide antioxidant protection. Its skin-tightening properties visibly erase fine lines in just minutes, while delivering moisturization that lasts all day for a smooth and refreshed appearance.
- **Vitamin C** - (3-O-Ethyl Ascorbic Acid) is stable form of Vitamin C that helps to even and brighten skin tone, improve the look of fine lines and wrinkles, boost skin firmness, and enhance skin tone and texture.
- **Squalane** - An emollient derived from plant sugars; it has a high affinity to skin cells due to its skin-identical structure. It prevents moisture loss, reduces inflammation and helps restore skin's suppleness and flexibility.

Proven Results: *Before & After's and In Clinical Studies...*

- Instantly and significantly hydrates the eye area
- Increased skin hydration by 50.9% compared to initial conditions when applied for 28 days
- Reduces the wrinkle depth on the crow’s feet area by almost 14%

What it feels like: The pale ivory-tinted, lightweight cream applies easily and quickly melts onto the skin.

How to use: Gently apply a small amount with fingertips under and around the eye area morning and evening prior to all other serums and moisturizers.

Ingredients: Aqua (Water), Caprylic/Capric Triglyceride, Isostearyl Isostearate, Cetearyl Alcohol, Cetyl Esters, Glycereth-26, Sorbitol, Magnesium Aluminum Silicate, Cetearth-20, Glyceryl Stearate, PEG-100 Stearate, Silica, Squalane, 3-O-Ethyl Ascorbic Acid, Saccharide Isomerate, Sodium Hyaluronate, Caesalpinia Spinosa Gum, Ectoin, Maltodextrin, Wine, Isopropyl Titanium Triisostearate, Ammonium Acryloyldimethyltaurate/VP Copolymer, Xanthan Gum, Tocopheryl Acetate, Disodium EDTA, Panthenol, Sodium Hydroxide, Dihydroxy Methylchromone, Phenoxyethanol, Ethylhexylglycerin, t-Butyl Alcohol, Tin Oxide, Sodium Carbonate, Sodium Chloride, Mica, Titanium Dioxide.

NASSIFMD® ANTI-AGING UNDER EYE SMOOTHER

Tired-looking eyes? Skip the concealer, we have the solution!

What it is: *An under-eye cream with powerful peptides for immediate and long-term reduction of puffiness and wrinkles*
The lightweight, non-greasy formula applies easily and absorbs quickly:

- Formulated with three powerful complexes, it helps awaken the look of the eyes
- Creates an immediate and temporary visible skin tightening and smoothing beauty benefit
- Improves the look of dark circles and puffiness
- Moisturizes skin and improves skin elasticity
- Increases skin micro-circulation and helps reduce the appearance of dark circles and capillaries
- Boosts collagen production
- Increases skin hydration

Why it works: *Key Ingredients & Benefits:*

- **Eyeseryl® Solution B** - A tetrapeptide that reduces puffiness and dark circles in the eye area, moisturizes skin and improves skin elasticity.
- **Liftonin® -Xpress** - A polymer complex that improves the look of fine lines and wrinkles and provides an immediate and long-lasting tightening effect in the eye area.
- **Pinoxide®** - A potent molecule that helps to stimulate and maintain high collagen levels within skin layers. Clinically proven to increase skin micro-circulation and help reduce the appearance of dark under eye circles and capillaries.

What it feels like: The pretty, pink-tinted cream liquifies on contact and applies easily to the delicate eye area with no pulling or tugging. The skin feels smooth with a soft matte finish.

How to use: Gently apply a small amount with fingertips under the eye area morning and evening. Can be used as an under-eye primer. Apply after your serums but before your last step in your skincare regimen (your moisturizer or NassifMD Hydro-Screen).

Ingredients: Aqua (Water), Cyclopentasiloxane, Dimethicone, Butylene Glycol, Dimethicone/Vinyl Dimethicone Crosspolymer, Hydroxypropyl Methylcellulose, Polymethylsilsesquioxane, PPG-12/SMDI Copolymer, PEG-10 Dimethicone, Pullulan, Sodium Chloride, Propanediol, Phenoxyethanol, Acetyl Tetrapeptide-5, Distearidimonium Hectorite, Porphyridium Cruentum Extract, Pinanediol, Camphanediol, Caffeine, Tocopheryl Acetate, Panthenol, Allantoin, Glycerin, Chamomilla Recutita (Matricaria) Flower Extract, Camellia Oleifera Leaf Extract, Disodium EDTA, Glycyrrhiza Glabra (Licorice) Root Extract, Sodium Hydroxide, Saccharide Isomerate, Ethylhexyl Palmitate, Trihydroxystearin, Sodium Hyaluronate, Glucomannan, Tocopherol, Sodium Carbonate, Sodium Sulfate, CI 16035 (Red 40), CI 42090 (Blue 1).

Masques

NASSIFMD® OVERNIGHT ILLUMINATING MASQUE

A whole new twist on Sleeping Beauty!

What it is: A leave-on rejuvenating and hydrating nighttime skin treatment that works while you sleep

The multi-tasking spa beauty treatment delivers key skin benefits:

- Hydrates dry and depleted skin
- Decreases the appearance of fine lines and wrinkles
- Helps skin look smoother and firmer
- Brightens the appearance of uneven skin tone
- Adds luminosity
- Skin feels refreshed, soft and supple
- Provides a fresh, smooth canvas for makeup application

Why it works: *Key Ingredients & Benefits:*

- **Elasta-derm C Complex** - An antioxidant and age-defying complex that helps regulate circadian rhythms, fight free radical damage, minimize the appearance of wrinkles, and lighten and even the skin tone.
- **Lactic Acid** - A naturally occurring AHA produced by fermentation of milk, it hydrates, gently exfoliates and improves overall skin tone and texture.
- **Azelaic Acid** - A gentle, leave-on exfoliant and antioxidant that helps to control sebum; unclog pores, soothe irritation, reduce the look of blemishes and refine skin texture.
- **Hexylresorcinol** - An organic compound used for skin lightening and evening skin tone that addresses hyperpigmentation and improves the appearance of age spots.

Proven Results: *In a Consumer Perception Study...*

- 100% agreed that their skin felt moisturized
- 93.8% agreed that their skin looked rejuvenated
- 93.8% agreed that their skin felt smoother
- 93.8% agreed that their skin felt firmer
- 87.5% agreed that their skin looked/felt renewed
- 87.5% agreed that their skin's texture felt more even
- 87.5 % agreed that their skin looked healthy/radiant
- 81.3% agreed that their skin looked more youthful

What it feels like: A soothing, silky and emollient pearlescent gel with a light, calming scent.

How to use: After cleansing, apply desired amount to face and neck and leave on overnight. Use 2-3 times a week. Also, can be applied, as needed, as a 10-minute "pick me up energy masque".

Warning: Use only as directed. If irritation persists, discontinue use and consult a physician. It is recommended that prior to exposure to the sun, users cover areas where AHAs have been applied with sunscreen. Contact of the product with the skin must be of limited frequency or duration.

Ingredients: Aqua (Water), Caprylic/Capric Triglyceride, Lactic Acid, PEG-8 Beeswax, PEG-8, Sodium Hydroxide, Dimethicone, Glycerin, Bis-Diglyceryl Polyacryladipate-2, Sodium Acrylate/Sodium Acryloyldimethyl Taurate Copolymer, Cetyl Alcohol, Butylene Glycol, Isohexadecane, Potassium Azeloyl Diglycinate, Hexylresorcinol, 3-O-Ethyl Ascorbic Acid, Ectoin, Sorbitol, Dihydroxy Methylchromone, Polysorbate 80, Sorbitan Oleate, Glyceryl Stearate, PEG-100 Stearate, Sodium Acrylates Copolymer, Lecithin, Isosorbide Dicaprylate, Tocopheryl Acetate, Xanthan Gum, Disodium EDTA, Parfum (Fragrance), Geraniol, Linalool, Limonene, Sodium Carbonate, Sodium Chloride, Phenoxyethanol, Ethylhexylglycerin.

NASSIFMD® QUICK FIX FACE & NECK LIFT™ FACE MASQUE

Younger-looking skin in less than 30 minutes!

What it is: *An advanced, intensive skin treatment peel-off masque that temporarily tightens and lifts the skin*

The thick gel formula:

- Reduces the appearance of dryness, fine lines and wrinkles
- Temporarily tightens and lifts the skin
- Delivers smoother, younger-looking skin in less than 30 minutes
- Helps exfoliate the skin and even the look of skin tone
- Calms and soothes the skin
- Protects the skin's hydration
- Helps skin look younger and more radiant

Why it works: *Key Ingredients & Benefits:*

- **AHA's/BHA's, Retinol & Willow Bark** - A powerful blend formulated to temporarily tighten and lift the skin, immediately leaving it looking smoother and younger.
- **AHA (Alpha Hydroxy Acid) & BHA (Beta Hydroxy Acid)** are water-soluble acids made from sugary fruits. AHA and BHA both exfoliate the skin. AHA is effective for treating issues with skin pigmentation. BHA can get deeper into the pores to remove dead skin cells and excess sebum.
- **Retinol** - Known as Vitamin A, it is a skin-restoring, wrinkle-smoothing, firming ingredient, and an antioxidant, allowing it to improve a range of skin concerns related to visible signs of aging.
- **Willow Bark Extract** - Contains Salicin, from which Salicylic Acid is derived, it has anti-inflammatory & antibacterial properties; refines pores, helps reduce acne & excess oil, and provides gentle exfoliation.
- **Dr. Nassif's NSP Technology™** - A proprietary complex of Niacinamide, Silymarin (Milk Thistle) and Phosphatidylcholine.
- **Niacinamide** - A derivative of Vitamin B3, its anti-inflammatory properties help relieve blemishes and skin irritations; helps boost skin metabolism to minimize fine lines & wrinkles, diminish hyperpigmentation & combat free radicals.
- **Silymarin (Milk Thistle)** - Extracted from the fruits of Milk Thistle, it is a potent antioxidant that reduces inflammation and photodamage in the skin after UV exposure.
- **Phosphatidylcholine** - An active ingredient in Lecithin, it is known as an exceptionally good water-binding agent and aids in the penetration of other ingredients into the skin.

Proven Results: Before & After's

What it feels like: The clear, viscous gel spreads smoothly to create a thin even layer. It feels tacky at first, but dries quickly to a smooth, shiny film.

How to use: Cleanse skin thoroughly using warm water and facial cleanser to remove any makeup, dirt, and oil. Do not apply moisturizer. Make sure your hands are clean before applying mask. Using fingertips, apply the mask in a thin, even, and smooth layer to face. Avoid the eye area. Allow mask to dry fully (approximately 30 minutes) and do not move facial features. Once dry, remove by lifting the edges & peeling it off in sections. If a piece remains, remove with a wet washcloth.

Ingredients: Aqua (Purified Water), Purified Water, Polyvinyl Alcohol, Propylene Glycol, PEG-75, Ethoxydiglycol, Phosphatidylcholine, Silybum Marianum Fruit Extract, Niacinamide, Retinol, Glycolic Acid, Lactic Acid, Chamomilla Recutita (Matricaria) Flower Extract, Salix Alba (Willow) Bark Extract, Cucumis Sativus (Cucumber) Fruit Extract, Aloe Barbadensis Leaf Juice, Glycerin, PPG-12-PEG-50 Lanolin, Polysorbate 20, Phenoxyethanol, Disodium EDTA.

Lip Care

NASSIFMD® HYDRO-SCREEN® FOR LIPS

Hydrate, volumize, rejuvenate, plump, shine!

What it is: A targeted lip treatment based on Dr. Nassif's best-selling Hydro-Screen™ Hydrating Serum

The silky-smooth serum glides onto lips and provides multiple benefits:

- Immediately hydrates and plumps the lips for instant visual enhancement
- Replenishes the skin's natural protective layer and provides a barrier against moisture loss
- Delivers skin-smoothing moisturization and emollience
- Helps alleviate lip lines, dryness, and wrinkles; lips appear fuller and feel smoother
- Gives the lips a radiant shine without feeling tacky
- Can be worn alone, as a lip base, or as a shiny topcoat. Flavors: watermelon or vanilla

Why it works: Key Ingredients & Benefits:

- **Volulip™** - A complex of plant extracts and peptides that increase lip volume, hydration, and softness.
- **Ceramides: NP, AP, EOP, Phytosphingosine** - These naturally occurring, long chains of lipids (fats) are major components of the skin's outer layers. They support the renewal and replenishment of the skin's natural protective layer and form an effective barrier against moisture loss.
- **Sodium Hyaluronate** - Due to its small molecular size, it penetrates to mix with, attract and maintain water in the skin. It helps promote microcirculation for a fuller, more youthful appearance and softer, smoother skin.
- **Jojoba Glaze®** - A jojoba oil-based complex that provides emollience, shine, smoothing, moisturization and protection to the lips.

Proven Results:

Volulip™ clinical trial to evaluate the moisturization, youth and shape of the lips

- Increased lip volume: +15% volume, +19.6% for participants with the thinnest lips; + 69% increase in the curved appearance of the lower lip
- Increased softness: +10.5%; decreased roughness for 83% of participants
- Improved overall lip hydration: +50%, 20 hours after last application

Jojoba Glaze® clinical trial to evaluate how the ingredient would affect hydration and TEWL (trans epidermal water loss)

- Improved hydration by +20% when measured 4 hours after application
- Demonstrated a further decrease -46% of TEWL (trans epidermal water loss)

What it feels like: The clear, gel-like serum glides on to deliver emollience and instant shine to the lips. There may be an initial tingling sensation. Lips feel moist and protected without any tackiness.

How to use: Apply to clean lips. Can be used alone or over your lip color. There may be an initial tingling of the lips after application. This is normal and will subside. If it does not subside, discontinue use.

Watermelon Flavor Ingredients: Simmondsia Chinensis (Jojoba) Seed Oil, Hydrogenated Polyisobutene, Ethylene/Propylene/Styrene Copolymer, Glycerin, Cetearyl Ethylhexanoate, Butylene/Ethylene/Styrene Copolymer, Aroma (Flavor), Menthone Glycerin Acetal, Aqua (Water), Tocopheryl Acetate, Methyl Nicotinate, Tetrahexyldecyl Ascorbate, Sorbitan Isostearate, Sodium Hyaluronate, Sucralose, BHT, Portulaca Pilosa Extract, Potassium Acesulfame, Sucrose Cocoate, Alcohol, Palmitoyl Tripeptide-38, Sodium Benzoate, Potassium Sorbate, Tocopherol, Ceramide NP, Ceramide AP, Phytosphingosine, Cholesterol, Sodium Lauroyl Lactylate, Carbomer, Xanthan Gum, Ceramide EOP, Phenoxyethanol, Ethylhexylglycerin.

Vanilla Flavor Ingredients: Simmondsia Chinensis (Jojoba) Seed Oil, Hydrogenated Polyisobutene, Ethylene/Propylene/Styrene Copolymer, Glycerin, Cetearyl Ethylhexanoate, Butylene/Ethylene/Styrene Copolymer, Menthone Glycerin Acetal, Tocopheryl Acetate, Methyl Nicotinate, Tetrahexyldecyl Ascorbate, Aqua (Water), Sorbitan Isostearate, Sucralose, BHT, Portulaca Pilosa Extract, Potassium Acesulfame, Vanillin, Sucrose Cocoate, Alcohol, Palmitoyl Tripeptide-38, Sodium Benzoate, Potassium Sorbate, Tocopherol, Sodium Hyaluronate, Sodium Lauroyl Lactylate, Ceramide NP, Phenoxyethanol, Phytosphingosine, Ceramide AP, Xanthan Gum, Cholesterol, Carbomer, Ethylhexylglycerin, Ceramide EOP.

HydraFacial[®]

Exclusive Booster

NassifMD Hydraglucan™ Hydration Booster is sold globally exclusively thru HydraFacial. It is also sold with a NassifMD® Take Home Kit pictured below. These products are sold to Medical Spas that carry the HydraFacial device.

NASSIFMD® HYDRAGLUCAN™ BOOSTER *Exclusively for HydraFacial®*

A power-packed, proprietary, hydration treatment formulated by Dr. Nassif!

What it is: *A potent hydration elixir that enhances the benefits of HydraFacial® for lasting results*

The lightweight, silky serum:

Delivers intensive and lasting hydration

- Helps retain vital moisture and maintains cell water balance
- Draws moisture from the air and delivers it to the skin for continuous moisturization
- Reduces signs of tiredness
- Delivers maximum hydration to improve skin smoothness, elasticity and vitality

Boosts the skin's natural defenses

- Enhances skin's immune system
- Strengthens the skin barrier function
- Soothes irritations and accelerates skin recovery
- Protects skin against UV and other environmental aggressors

Why it works: *Key Ingredients & Benefits:*

- **Betaine** - A natural moisturizer that occurs in plants and animals as an osmolyte, it helps skin adapt to moisture losses and gains, essentially working to balance skin's hydration.
 - Helps strengthen the skin barrier by improving epidermal cell cohesion and reducing trans-epidermal water loss.
 - Exhibits anti-inflammatory properties to soothe skin irritations and protect the skin's barrier integrity.
- **N-Acetyl Glucosamine (NAG)** - A stable and highly effective natural component of GAGs (glycosaminoglycans) and a major constituent of Hyaluronic Acid (HA) providing hydration and anti-aging benefits to skin.
 - As a key component molecule in Hyaluronic Acid, NAG has shown to stimulate synthesis of HA, therefore increasing skin's water binding, and plumping and helping skin to maintain normal hydration and elasticity.
- **Hyasol BT** - A patented form of high molecular weight Hyaluronic Acid that delivers maximum hydration to improve skin smoothness, elasticity, and vitality.
 - Acts as a natural humectant.
 - Forms a thin, light permeable, invisible, visco-elastic surface film.
 - Increases moisture retention properties.
 - Preserves the elasticity and the firmness of the skin.
- **CM-Glucan** - A natural yeast derivative with antioxidant, anti-wrinkle, firming, plumping, regeneration, hydration, and anti-redness benefits. It is ideal for skin treatments before and after cosmetic procedures with multiple benefits.
 - Enhances skin's immune system and improves barrier function.
 - Accelerates skin recovery.
 - Protects skin against UV-induced loss of firmness.
 - Inhibits the UVA-induced oxidation of cutaneous lipids.
 - Soothes irritations and strengthens the skin barrier.
- **Reversalys 30** - A blend of marine botanicals, moisture-binding compounds, and taurine (an amino acid), it helps minimize the appearance of skin puffiness, dark circles and fine lines and wrinkles.

Proven Results: Clinical Tests show a reduction in puffiness, dark circles, and tired looking skin.

What it feels like: Delivered through the HydraFacial Device

Ingredients: Water/Aqua/Eau, Glycereth-26, Glycerin, Acetyl Glucosamine, Betaine, PEG-6 Caprylic/Capric Glycerides, Phenoxyethanol, Microcrystalline Cellulose, Allantoin, Xanthan Gum, Cellulose Gum, Disodium EDTA, Ethylhexylglycerin, Sodium Hyaluronate, Citric Acid, Sodium Carboxymethyl Betaglucon, Sodium Carrageenan, Jania Rubens Extract, Imidazolidinyl Urea.
